JUST A GIRL (NO DOUBT)

GUITAR RIFF
Take this pink ribbon off my eyes
I'm exposed and it's no big surprise
Don't you think I know exactly where I stand?
This world is forcing me to hold your hand

Bm – A – G - A
'Cause I'm just a girl, oh, little old me…Well, don't let me out of your sight
Oh, I'm just a girl, all pretty and petite…So don't let me have any rights

G – C → GUITAR RIFF
Oh, I've had it up to here

The moment that I step outside
So many reasons for me to run and hide
I can't do the little things I hold so dear
'Cause it's all those little things that I fear

Bm – A – G - A
'Cause I'm just a girl, I'd rather not be…'Cause they won't let me drive late at night
Oh, I'm just a girl, guess I'm some kind of freak…'Cause they all sit & stare with their eyes
Oh, I'm just a girl, take a good look at me…Just your typical prototype
G – C → GUITAR RIFF
Oh, I've had it up to here

Bm – A – G - A
[lead break]

G – C → GUITAR RIFF
Oh, am I making myself clear?

I'm just a girl....I'm just a girl in the world
That's all that you'll let me be

Bm – A – G - A
Oh, I'm just a girl, living in captivity
Your rule of thumb makes me worrisome
Oh, I'm just a girl, what's my destiny?
What I've succumbed to is making me numb

Bm – A – G - A
Oh, I'm just a girl, my apologies
What I've become is so burdensome
Oh, I'm just a girl, lucky me
Twiddle-dum, there's no comparison

G – C G – C G – C - Bm (hold)
Oh, I've had it up to…Oh, I've had it up to…Oh, I've had it up to here
