

## TOO OLD?

**bpm: 110**

**Intro w horns: F – C – G – Am, F – C – G – G (2x)**

**F – C – G – Am, F – C – G – G**

They say I'm too old to be relevant (I don't think so...I don't think so)

They say I'm just the same, they want me to be different  
(I don't think so...I don't think so)

I'm just gonna be me...just the way I'm supposed to be  
And you're just gonna have to deal with thaaaaat!

**C – G – F – G, C – G – F – C**

What you see is what you get, And my life ain't quite over yet  
You're not done...until you are done  
What I think is what you'll hear, I hope I'm making myself clear  
And I won't be done... Till...I'm...done!

**Intro w horns: F – C – G – Am, F – C – G – G (2x)**

**F – C – G – Am, F – C – G – G**

They say we're giving in way too easily (I don't think so...I don't think so)  
They say we're pathetic that we're all just foolish relics  
(I don't think so...I don't think so)

Now we just gonna be we...just the way we're supposed to be  
And they're just gonna have to deal with thaaaaat!

**C – G – F – G, C – G – F – C**

What you see is what you get, And my life ain't quite over yet  
You're not done...until you are done  
What I think is what you'll hear, I hope I'm making myself clear  
And I won't be done... Till...I'm...done!

**(DRUM BREAK)**

**BRIDGE (1/2 time)**

**Am – G – Am – G, Am – G – F – G**

Am I just begging for attention (no, no no no)

Is it just my personality? (no no, no no)

Maybe I was just born this way (oh, oh, oh oh)

Take it or leave it, I don't care anyway (oh oh, oh oh...)
