

20-25-30 years

bpm: 92

GUITAR INTRO

GUITAR INTRO (horn “warmup”)

HORNS heavy

HORNS ska

C Em Am F

...How could it be? No, It cannot be!
...20-25-30 years of endless memories
Of the things that we did, and the places we went
And not to mention all the people that we met

HORNS ska

On life's endless road...so many places to go
...20-25-30 years, it feels so long ago
But we stood by each other, we were ne...ver alone
...20-25-30 years, it still feels like home

CHORUS | C – Em – Am – F>G |

*And every-time that I go back to that place
I can't believe...it was twenty – twenty five – thirty years a-go
All the good times that we had; it was such a blast!
20 – 25 – 30 years go by...so...fast!*

HORNS heavy

HORNS ska

As I look back and think...about the long endless nights
...20-25-30 years, it always feels so right
It felt like a dream, but it was our reality...
...20-25-30 years, but it's still right here with me

CHORUS

*And everytime that I go back to that place
I can't believe...it was twenty – twenty five – thirty years a-go
All the good times that we had; celebrating what will last
20 – 25 – 30 years go by...so...fast!*

BRIDGE | Am – G – F – Dm | Am – G – F – Fm |

*Where did the time go? It seems like oh so long ago
It feels like yesterday, cause I never let it go
The people and the memories...and the music is still alive
here's to another 20-25-30 years before...I...die!*

HORNS heavy, drums ½ time
HORNS heavy, drums ½ time

CHORUS (punk time??)

And everytime that I go back to that place
I can't believe...it was twenty – twenty five – thirty years a-go
All the good times that we had; celebrating what will last
20 – 25 – 30 years go by...so...fast!

CHORUS

And everytime that I go back to that place
I can't believe...it was twenty – twenty five – thirty years a-go
In the future we find the past, and we're gonna make it last
20 – 25 – 30 years go by...so...fast!

GUITAR INTRO

SINGALONG ENDING CHORUS (repeat into fade, electric gtrs to acoustics)

And in the end, we'll make it last...
20-25-30 years go by so fast
And in the end, who's keeping score
20-25-30 years I'll come back for more
