

GIRL WITH A HORSE

bpm: 100

Intro w horns: G – C – D – C, G – C – D – C (2x)

G – C – D – C

When I was in my younger years...I got a divorce as a matter of course
And everything was going bad...Until I met a horse,

But it wasn't just a horse, it was a girl with a horse
And she was oh so sweet, She swept me off my feet
Made me feel so complete

The only problem was she had a fiancée, and he lived far away
But they were gonna get married anyway
He would dine her and diss her
Go away and not even miss her
And I was able to swoop in and make her mine, all mine

G – D – Em – C, G – D – Em – C

**When two worlds collide...love doesn't have to hide
When two hearts come together...it's got to be forever**

Intro w horns: G – C – D – C, G – C – D – C (2x)

G – C – D – C

So, that horse came up to me...And I had never felt so free
It felt like it was meant to be

But it wasn't just a horse, it was a girl with a horse
And she changed my whole life
She put away all my strife
And then she became my wife

We started to rise above the fray
but then kid #4 was on the way
had to get down on my knees and pray
Cause I don't know how I'll do it
I just wanna get through it
Get through it together, and I say whatever,
Don't try to be clever, we're better together!

G – D – Em – C, G – D – Em – C

**When two worlds collide...love doesn't have to hide
When two hearts come together...it's got to be forever
When two lives become one...that's when life has just begun
When two souls come together...they're gonna be together...forever...**
