

SPECTACULAR

Words & Music by Dino Rustin

BPM: 150

Guitar only (D – A – G) 2x, then full band 2x

D – A – G

I got some bad news – I didn't want to hear A crushing blow now – where do we go from here? I sit here waiting – for a phone that doesn't ring... It's not my fault – that I want everything!

D – F – G

I want something different...I want something new
I want a new life...and I want it with you
But I sit here all alone now...lying in defeat
Wonder how it got this far... wonder how I got in so deep

D – F – G

Spectacular...I want something spectacular!

then full band 4x

D – A – G

I long to hear your voice now...and I want to see your face
I wanna take you far...far away from this place
I stand here waiting – all alone in the dark I want you – not a big question mark

D – F – G

I want something different...I want something new
I want a new life...and I want it with you
But I sit here all alone now...lying in defeat
Wonder how it got this far... wonder how I got in so deep

D – F – G

Spectacular...I want something spectacular!
Are you getting my vernacular?
I want something spectacular!

D – F – G (4x) solos

D – F – G (guitar only OR drums only with claps)

I want something different...I want something new
I want a new life...and I want it with you

D – F – G (full band)

But I sit here all alone now...lying in defeat
Wonder how it got this far... wonder how I got in so deep

D – F – G

Spectacular...I want something spectacular!
Are you getting my vernacular?
I want something spectacular!

Full band 3x (D – A – G), then guitar only last time
