C C/B Am
On a long desert road
C C/B Am
I see no end in sight, I see no light
C C/B Am
I don't know where I'll go
C C/B Am C-intro
My life's in disarray, the pieces line the highway

C C/B Am
The pieces of my life
C C/B Am
Thrown across the road, shattered and broken
C C/B Am
I'm running away,
C C/B Am
Will I find life on this road, is this the way

CHORUS

Am E F Dm
I'm all alone, with no direction known; I'm all alone I've got nowhere to go
Am E F Dm
I'm all alone, with no direction known; I'm all alone I've got nowhere to go

BRIDGE

Dm E F
So where can I find you? What do I really have to offer you?
Can anything I do ever pull me through?
Dm E F
I need to find you, I need to know what you offer me

I need to know that you can set me free! Set me free!

I am chilled to the bone

Depressed and unaware, and all alone
C C/B Am
What happened to this home?
