

CHAMPAGNE SUPERNOVA (Oasis)

A - G - D - E

How many special people change, How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall, Faster than a cannon ball
Where were you while we were getting high?

**Some day you will find me, Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me, Caught beneath the landslide
In a champagne supernova...A champagne supernova in the sky**

Wake up the dawn and ask her why, A dreamer dreams she never dies
Wipe that tear away now from your eye
Slowly walking down the hall, Faster than a cannon ball
Where were you while we were getting high?

**Some day you will find me, Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me, Caught beneath the landslide
In a champagne supernova...A champagne supernova in the sky**

G - A-G - D - E

*'Cause people believe that they're Gonna get away for the summer
But you and I, we live and die The world's still spinning round
We don't know why...Why, why, why, why*

How many special people change, How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall, Faster than a cannon ball
Where were you while we were getting high?

**Some day you will find me, Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me, Caught beneath the landslide
In a champagne supernova...A champagne supernova in the sky**

*'Cause people believe that they're Gonna get away for the summer
But you and I, we live and die The world's still spinning round
We don't know why...Why, why, why, why*

How many special people change
How many lives are living strange
Where were you while we were getting high?
