

## COUNTDOWN (Words & Music by Dino Rustin)

INTRO: G – D – C – G

### G – D – C – G

Countdown's on...my heart is racing  
I'm nervous, I'm anxious, don't know what I was expecting  
I'm waiting...everything inside me starts to shake  
Not sure how it's gonna go,  
I just know I don't want it to break

### G – D – C – G

What was I thinking? I know I have weakness?  
Words were said, decisions made, no regrets – but I know I'm afraid  
How's it going to work out? What will it be like?  
No expectations or ill intent  
Just anticipating things that have no end

### G – D – C – G

Countdown's on...my heart is racing  
I'm nervous, I'm anxious, don't know what I was expecting  
I'm waiting...everything inside me starts to shake  
Not sure how it's gonna go,  
I just know I don't want it to break

### G – D – C – G

As I lie awake Counting down, ten days away  
I can't take it back now There's too much at stake  
Am I ready to follow through? I don't know what to do  
No surprises, no bombshells  
Just anticipating things that are bound to go well

### Am – G – F – F
