

EVERYBODY TALKS (Neon Trees)

D

Hey, baby, won't you look my way?
I can be your new addiction
Hey, baby, what you gotta say?
All you're giving me is fiction

I'm a sorry sucker and this happens all the time
I found out that everybody talks
Everybody talks, everybody talks

D - D - G - G
A - A - A - A(stop!)

It started with a whisper...And that was when I kissed her
And then she made my lips hurt...I can hear the chitchat
Take me to your (F#) love shack...Mama's always gotta backtrack
When everybody talks back

Hey honey you could be my drug
You could be my new prescription
Too much could be an overdose
All this trash talk make me itching
