

HOPE (DESCENDENTS)

Am - F - C, Am - G

Why can't you see you torture me
You're already thinking about someone else

F - C

When he comes home, You'll be in his arms and I'll be gone

Em - C-G, Em - C-G

But I know my day will come...
I know someday I'll be the only one

Am - F - C, Am - G

So now you wait for his spark, You know it'll turn you on
He's gonna make you feel the way you want to feel

F - C

When he starts to lie, When he makes you cry

Em - C-G, Em - C-G

You know I'll be there...My day will come
i know Someday...I'll be the only one

F - C, Am - G

Call me selfish, Call me what you like I think it's right
To want someone for all your own, And not to share her love

F - C

And I'll have my way, And won't have to say anyway

Em - C-G

Cause I've got you...You don't stand a chance

Am - F - C, Am - G

So now you wait for his spark, You know it'll turn you on
He's gonna make you feel the way you want to feel

F - C

When he starts to lie, When he makes you cry

Em - C-G, Em - C-G

You know I'll be there...My day will come
i know Someday...I'll be the only one

Em - C-G, Em - C-G

My day will come
I know someday I'll be the only one

Em - G - F - C

So now you want perfection, I see your self destruction
You don't know what you want, It's gonna take you years to find out

Em - G - F - C

I'm not giving up, And when you've had enough
You'll take your bruised little head And you'll come running back to me

Em - C-G, Em - C-G

You know that I'm gonna be the only one.
