

I MELT WITH YOU (MODERN ENGLISH/JASON MRAZ)

Moving forward using all my breath
Making love to you was never second best
I saw the world crashing all around your face
Never really knowing it was always mesh and lace

E-A

**I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
I'll stop the world and melt with you**

Dream of better lives the kind which never hate
Trapped in a state of imaginary grace
I made a pilgrimage to save this human's race
Never comprehending a race that's long gone by

**I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
I'll stop the world and melt with you**

[solo]

**I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
I'll stop the world and melt with you**

**I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
I'll stop the world and melt with you**
