

## **SELL OUT (REEL BIG FISH)**

### **G# - A#m - C# - D#**

Well, I know you can't work in fast food all your life  
but don't sign that paper tonight, she said, but it's too late.

And I don't remember what I read, don't remember what they said,  
I guess it doesn't matter, I guess it doesn't matter anymore.

**you're gonna go to the record store  
you're gonna give 'em all your money  
radio plays what they want you to hear  
they tell me it's cool but I just don't believe it...**

**sell out, with me oh yea, sell out, with me tonight  
record company's gonna give me lots of money  
and everything's gonna be (all right).**

no more flippin' burgers puttin' on my silly hat  
you know I don't want that no more,  
And I didn't ask when we'd get paid, I quit my day job anyway,  
I guess it doesn't matter, I guess it doesn't matter anymore

**you're gonna go to the record store  
you're gonna give 'em all your money  
radio plays what they want you to hear  
they tell me it's cool but I just don't believe it...**

**sell out, with me oh yea, sell out, with me tonight  
record company's gonna give me lots of money  
and everything's gonna be...**

### **A#m - C# - G#**

*I don't think it'll be so bad...I know it won't be so bad  
cause the man said "that's the way it is"  
and the man said "it don't get better than this" no no no noo*

**so I signed on to the record company,  
they say they're gonna give me lot's of money,  
if I play what they want you to hear  
they tell me it's cool, and I sure believe it...**

**sell out, with me oh yea, sell out, with me tonight  
record company's gonna give me lots of money  
and everything's gonna be...**

Baby don't you sign that paper tonight, she said  
But I can't work in fast food all my life
