

**SHE (MAD CADDIES reggae version)**

**E - B - A - E (2x)**

She...She screams in silence  
A sullen riot penetrating through her mind  
Waiting for a sign  
To smash the silence with the brick of self-control

**B - B - A - E**

Are you locked up in a world that's been planned out for you?  
Are you feeling like a social tool without a use?

**A - E - A - E**

Scream at me until my ears bleed

**A - E - B**

I'm taking heed just for you

She...She's figured out  
All her doubts were someone else's point of view  
Waking up this time  
To smash the silence with the brick of self-control

**B - B - A - E**

Are you locked up in a world that's been planned out for you?  
Are you feeling like a social tool without a use?

**A - E - A - E**

Scream at me until my ears bleed

**A - E - B**

I'm taking heed just for you
