

SHE'S MINE (BARRINGTON LEVY)

[A-Bm]

Everyday I love her just a little bit more
Little bit more, little bit more
Everyday I love her just a little bit more
And she loves me the same
Yes, she loves me the same

'Cause my love, it's her love and her love is my love
Yes, she gives me loving at the right time
Day time, night time
Yes, she give me loving at the right time

***Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same***

Every guy finds her on the street they say she's sweet
O, my baby, can I throw some flowers at your feet?

She's young, fresh and green
And I like how she round at the seam
She's young, fresh and green
And I like how she round at the seam

***Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same***

Hands off, she's mine, mine o mine...Hands off, she's mine
Hands off, she's mine, mine o mine...Hands off, she's mine

-Everyday

-'Cause

***Everyday she tell me that she wants me some more
Want me some more, she want me some more
Everyday she tell me that she want me some more
And I want her the same***

Every time she walks the street, I stumble at her feet
I say, "Whoa baby, you look so sweet You look like something can eat"

Hands off, she's mine...
