

SOUL TO SQUEEZE (Red Hot Chili Peppers)

F#-C#-D#m-B // D#m-F#-C#m-B

I got a bad disease, Up from my brain is where I bleed.
Insanity it seems, Is got me by my soul to squeeze.
Well all the love from me, With all these dying trees I scream.
The Angels in my dreams, have turned to demons of greed...That's me.

**Where I go I just don't know, I got to, got to, gotta take it slow.
When I find my peace of mind, I'm gonna give you some of my good time.**

Today loves smile on me, It took away my pain, said please
All that you ride is free, You gotta let it be, Oh ya.

You're so polite indeed, Well I got everything I need.
Oh make my days a breeze, And take away my self destruction.

It's bitter baby, And it's very sweet.
I'm on a rollercoaster, but I'm on my feet.
Take me to the river, Let me on your shore.
I be coming back baby, I be coming back for more.
Doo doo doo doo dingle zing a dong bone,
ba-di ba-da ba-zumba crunga cong gone bad,
like an apple gift but i went out and never said my pleasures
I'm much better but I won't regret it never
