

STORY OF MY LIFE (SOCIAL D)

G-C-D-D

High school seemed like such a blur
I didn't have much interest in sports or school elections
And in class I dreamed all day
About a rock 'n' roll weekend
And the girl in the front of the room
So close yet so far
Y'know she never seemed to notice
That this silly school-boy crush wasn't just pretend

CHORUS

**Life goes by so fast
You only want to do what you think is right
Close your eyes and then it's past;
story of my life**

And I went down to my old neighborhood
The faces have all changed, there's no one left to talk to
And the pool hall I loved as a kid is now become a QuikTrip, oh oh

I went downtown to look for a job
I...had no training, no experience to speak of
I looked at the holes in my jeans and turned and headed back

CHORUS

**Life goes by so fast
You only want to do what you think is right
Close your eyes and then it's past;
story of my life**

Good times come and good times go
I only wish the good times would last a little longer
I think about the good times we had and why they had to end

So I sit at the edge of my bed
I strum my guitar and I sing an outlaw love song
Wonderin' bout what you're doin' now and when you're comin' back

CHORUS

**Life goes by so fast
You only want to do what you think is right
Close your eyes and then it's past;
story of my life**
