

WISH I KNEW YOU (THE REVIVALISTS)

intro: Am

Am

You shine like a star...You know who you are
You're everything beautiful
She's hot, hot like the sun...The loneliest one
Still everything beautiful

Well I'll be damned, You're standing at my door
We stayed up in the city, Until the stars lost the war
So Friday night, holy ghost...Take me to your level
Show me the one I need the most...
I need the most

**I wish I knew you when I was young, We could've got so high
Now we're here it's been so long, Two strangers in the bright lights
Oh I hope you don't mind, We can share my mood
Two strangers in the bright lights
I wish I knew you, I wish I knew you...
Oh I wish I knew you when I was young**

That sound, comes from the underground...It's all inside you now
It's everything beautiful
